

LOGO SYSTEM

PRIMARY LOGO

This is the primary lockup of your logo. Please use this in all client facing presentations, website, marketing collateral, etc.

Please ensure maximum contrast between the logo and the background it is placed on.

MINIMUM PRINT SIZE:
0.75" WIDTH

MINIMUM WEB SIZE:
125 PX WIDTH

EmberTribe

SECONDARY LOGO

The secondary logo lockup has been designed for situations where the primary option cannot be used (restrictive formats, narrow aspect ratios, etc)

EmberTribe

MINIMUM PRINT SIZE:
0.80" HEIGHT
MINIMUM WEB SIZE:
125 PX HEIGHT

* Please use this logo lockup in the event you are restricted to a two-colour printing process.

SPECIAL USE LOGOS

A series of logo variations have been designed for special use situations. These logos can be used on social media announcements, stickers, non-client facing situations, etc.

Please ensure maximum legibility of the symbol and wordmark when using these variations.
